

Upstate Forever Presents the Upstate's First Wild & Scenic Film Festival

10.16.11 - 06:19 pm

Greenville, SC – Local conservation group Upstate Forever is bringing an incredible selection of water-oriented films to Greenville on November 8 and Spartanburg on November 12.

Created by the South Yuba River Citizens League (SYRCL), the Wild & Scenic Film Festival has toured annually since 2004, bringing award-winning environmental and adventure films to enthusiastic audiences around the nation.

“This year’s selections will take audiences to some of the most remote and beautiful places on the planet, focusing on the beauty of our water resources and the threats facing this life-giving resource,” says John Tynan, Upstate Forever’s Deputy Director. “Stellar filmmaking, beautiful cinematography and first-rate storytelling combine to instill a deep appreciation and a sense of wonder for the natural world that surrounds and supports us.”

Festival-goers will have the chance to win great door prizes from Sunrift Adventures and national sponsors Patagonia, Klean Kanteen, Cliff Bars, Grist, Osprey, and Sierra Nevada Brewing Company.

Upstate Forever is a nonprofit, membership-based organization promoting sensible growth and the protection of special places in the Upstate region of South Carolina. Our three program areas are Land Trust, Sustainable Communities, and Clean Air and Water.

Founded in 1998, Upstate Forever now has over 1,800 members, two offices, and a staff of 18. For more information, see www.upstateforever.org.

SYRCL's (South Yuba River Citizens League) Wild & Scenic Film Festival shows environmental and adventure films that illustrate the Earth's beauty, the challenges facing our planet, and the work communities are doing to protect the environment.

Through these films, Wild & Scenic both informs people about the state of the world and inspires them to take action. Wild & Scenic raises resources and awareness for SYRCL's initiatives to recover California's wild salmon and to protect and restore the Yuba River.
