Volunteers are needed for Operation Clean Sweep at Lake Conestee Nature Park on Feb. 24.

The cleanup of the new park is set for 8:30 a.m. to 1 p.m.

Lake Conestee is the primary catch basin for the Reedy River as it leaves the city of Greenville, and as such, it is a major repository for debris entering the river. Operation Clean Sweep plans to remove debris from Lake Conestee and help restore the natural beauty to the Nature Park.

The Conestee Foundation, Friends of the Reedy River, the Saluda Reedy Watershed Consortium, the South Carolina Water Resources Center and Upstate Forever are hosting the cleanup, and any citizens who want to help are invited. Meet at the former Municipal Stadium on Mauldin Road at 8:30 a.m.
