Low-impact development seminar set for June 5

Reader submitted story

Published: Thursday, May 24, 2007 - 5:13 pm

The Home Builders Association of Greenville and Upstate Forever will sponsor a low-impact development seminar June 5 at the University Center in Greenville. John Darrohn of Seamon, Whiteside & Associates will speak on "Benefits of Dispersed Storm Water Management."

A civil engineer, Darrohn's recent projects include extensive site work facility design for Greenville's Townes/Richardson Bike Lane, Gaffney City Hall & Park, Spartanburg Community College Cherokee campus, and Clemson University's International Center for Automotive Research (ICAR).

The seminar, which included breakfast, is free. Presentations are 7:45 a.m. until 9 a.m.

For more information or to RSVP, contact John Tynan at Upstate Forever: (864) 250-0500 or jtynan@upstateforever.org.
